# The Scoop

*Roseville Dog Owners' Group*

## Did You Know . . .

- RDOG meets the first Tuesday of each month at the Christian Life Center In Roseville. See the back page.
- RDOG's web site is at [www.rosevilledog.org](http://www.rosevilledog.org) and is regularly updated with RDOG events and information.

## RDOG Survey Results Provide Insight

The last newsletter included a two-page survey designed to learn more about you, our members, and your interests. The highlights:

RDOG meetings are informative, conveniently located, fun, welcome, educational, and interesting, but they are not attended well by others and seem to be on a bad day or time from some.

RDOG's Newsletter is fun to read, looks professional, informative, relevant articles, and is published just the right amount of issues.

RDOG services members are interested in are, maintaining and improving Marco Dog Park, open more dog parks, and allowing dogs in all city parks. Members also enjoy RDOG publishing a

newsletter, managing a web site, and suggest RDOG hold educational forums, offer no/low cost dog training, continue to sponsor group trip/outings, and Canine Good Citizen.

RDOG meeting place of preference is almost anywhere, although most would rather not meet in a restaurant, city park, or a private business.

RDOG annual dues are just right!

Thanks to everyone who submitted a survey. By doing so, you have provided direction to our group's leaders for the next year, and will help make RDOG an organization that better meets your needs and expectations.

## Keep the Holidays Safe for You and Your Pooch

For a safe and happy holiday season for everyone, keep these safety tips in mind:

### Tree Tips

Avoid tinsel and glass ornaments or decorations made from food.

Keep fallen tree needles, real or artificial, cleaned up.

Cover your tree stand so pets can't drink the water.

Unplug the lights when you leave home. Pets can get shocked or electrocuted by chewing on cords.

### Food No-Nos

Don't feed pets poultry bones or leave bones uncovered and accessible.

Don't feed pets holiday foods that are rich and potentially toxic. This list includes chocolate and alcohol, plus foods such as potato latkes, gravies and poultry skin, which can cause gastrointestinal upset.

### Cozy, Pretty - and Dangerous

Keep poinsettias, mistletoe and holly out of paws' reach- they're poisonous if eaten.

Place candles out of reach of playful paws and wagging tails.

Watch for flying embers from the fireplace; keep pets from getting too close to burning fires.

Have fun and enjoy the holidays with your pet!
